

## Ohio Administrative Code

### Rule 3745-279-41 Restrictions on used oil transporters who are not also processors or re-refiners.

Effective: October 20, 1998

---

(A) Used oil transporters may consolidate or aggregate loads of used oil for purposes of transportation. However, except as provided in paragraph (B) of this rule, used oil transporters shall not process used oil unless they also comply with the requirements for processors/re-refiners in rules 3745-279-50 to 3745-279-59 of the Administrative Code.

(B) Transporters may conduct incidental processing operations that occur in the normal course of used oil transportation (e.g., settling and water separation), but that are not designed to produce (or make more amenable for production of) used oil derived products unless they also comply with the processor/re-refiner requirements in rules 3745-279-50 to 3745-279-59 of the Administrative Code.

(C) Transporters of used oil that is removed from oil bearing electrical transformers and turbines and that is filtered by the transporter or at a transfer facility prior to being returned to its original use, are not subject to the processor/re-refiner requirements in rules 3745-279-50 to 3745-279-59 of the Administrative Code.
